

PROVA 1 - PART B

OPCIÓ A

TASK 1:

You are working in a Pre and Primary Education school located in the centre of the island.

The school has two groups for each primary grade. Your group is in the 4th grade, there are 20 students per class.

OTHER INFORMATION:

- There is the standard classroom equipment (Smart Board and a computer).
- There is a chromebook per student and class.
- There is a Special Educational Needs pupil with Reduced Mobility.

With this information how would you organise and program a reading plan for a month?
