

PROVA 1 - PART B

OPCIÓ B

TASK 2:

Prepare a term's project that will take place in a coastal area Primary school.
You are going to focus on the 6th grade class. There are 24 students.

OTHER INFORMATION:

- There is the standard classroom equipment (Smart Board and a computer).
- There is an iPad per student.
- There is a Special Educational Needs pupil with (ADHD) Attention Deficit Hyperactivity Disorder.
- The school premises offer a soundproofed radio room.
- You have the support of a Language Assistant.

How would you develop and plan a school project based on a radio show to reinforce listening and speaking skills during a term?
